

# KITOME<sup>®</sup>

...it's why we're No1!

## SUMMER NEWSLETTER

# BUILDING YOUR DREAM

*has never been so easy!*

### VICTORIAN SPLENDOUR!

As long-time admirers of Victorian-inspired homes, this style of home was naturally our first choice.

We drew inspiration from the numerous visits to different display homes and a stack of magazines.

Once we decided exactly what we wanted we contacted Kitome and they helped tailor a home to suit our individual needs.

The result is a timeless home where visitors are greeted by ornate pillars and a lovely, sweeping wraparound verandah. The residence continues to charm inside with a stunning antique kitchen the focal point of the space. Boasting classic

good looks, the kitchen also incorporates a number of innovative features to ensure it runs at the eight of efficiency.

A stunning live stove was even brought in from Italy to complete the picture.

For the most part, the whole process was extremely smooth sailing.

Kitome's highly professional team members were more than happy to help every step of the way!

### WHAT MAKES KITOME DIFFERENT?

Kitome is the only Australian Kit Home manufacturer of timber and supplier of steel frame kit homes.

The Kitome product is not a set modular form limiting area's such as wall heights, roof pitch and span, all of these areas are able to be manufactured to individual specifications.

### WELCOME TO NEWCASTLE!

Peter Florczak is our new Sales Consultant at our Beresfield Showroom.

Peter, pictured left, has signed his first customer, Tony Ellitt, pictured right holding a cheque. Congratulations Peter and welcome!

### NEW TO LAUNCESTON!

Ian Sherman is the newest addition to the Kitome family and is based in our NEW Launceston showroom. Located at Ground Floor, 61 Paterson Street, Launceston TAS 7250, the showroom is easy to find and is conveniently located in the centre of Launceston's CBD.

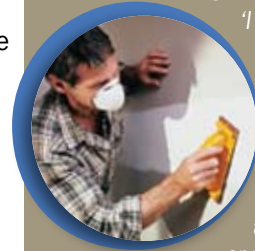

**We offer flexibility not only in the designs but also in the way you choose to build your home!**

#### OWNER BUILDER

*'I am handy and don't want to spend too much...plus, getting involved as much as I can will save me thousands!'*

An Owner Builder is a person who constructs or renovates a domestic building on his or her land.

#### OWNER MANAGER

*'I am clever enough but just don't have the time...I'll organise & manage the trades!'*

An Owner Manager is a person who manages the project from start to finish.

#### CONTRACT BUILDER

*'I love the style of homes and need a builder with experience and quality workmanship for a minimum fuss project!'*

A Contract Builder is a person who provides professional building services.
